Hello Kenosha HOG Chapter,

It's still that time of year when most of us have our bikes tucked safely away, awaiting spring's thaw. Not much chance of riding time in February. But there's a whole crowd that looks forward to riding this time of year, across frozen lakes! To be more accurate, the ice racing community isn't stuck on whether you use two, three, four wheels...whatever. The bikes have specially designed knobby tires with "ice screws" inserted into each of the knobs. The riders are layered up and everyone wears a helmet, in case you were wondering. They're out for fun, and don't let a little cold get in their way!

Kenosha has at least two locations where motorcycle ice racing happens every weekend that the lakes stay frozen, Lily Lake in Wheatland, and Camp Lake in Salem. From what I can gather so far, there doesn't seem to be a sponsor, but there are plenty of supporters on hand. Plow trucks clear a track in the snow, as well as a sort of "trail" around the lake. Of course, not everyone stays on the track or the trail, sometimes the fun of it is just running through the snow! Once in a while, someone wipes out...unlike asphalt, riders seem to just slide, get up, dust off, and go again! Ice track enthusiasts on motorcycles, ATV's, and even a few snowmobiles come out for these weekend events. There are no prizes, winners, losers, or race rules. That is, aside from having fun and looking out for one another.

Recent developments in the Lily Lake community include specific hours that the races are permitted on the ice: Saturdays from 10 AM to 2 PM, and Sundays from 10 AM to 4 PM. Even on a sunshiny winter day, ten hours per weekend appears to be plenty of time to enjoy this cold weather sport. Also related to this recent ordinance is that vehicles are required to have some sort of muffler. The meeting place is Jill's Lily Lake Resort, where you can always get a warm welcome and a hot meal. The view of the ice track is amazing, and the riders are welcome to warm up.

The Camp Lake events are even more casual, and at this time, I understand that there's no central meeting place. There are, however, enthusiasts out there, along with plows, bikes, and quads. Also it does not appear that the Camp Lake community has imposed restrictions on the times and locations, but participants are expected to show common courtesy and respect for the neighbors.

So even if you don't want to fire up the HOG and run around on a frozen lake, it can be a lot of fun to watch these guys and girls as they go full throttle around the ice track, leaning almost to the ground, even running wheelies! The riding is generally aggressive, and sometimes seems impossible, but lots of fun!

Happy February!

Randy Cook

Hi Everyone,

Billy here at Uke's Service Department. Wanted to let everyone know a few things this month, about what is happening with your hard working service shop. Every year we run service seminars in the month of February, this year is no exception, we will be holding them every Saturday for the whole month, starting with sportster and Dyna models on the 1st, followed by Softails on the 8th and ending the last two Saturdays with Touring bikes, the 15th and the 22nd. There are two times for the Softail and the Touring seminars, a morning course at 10 am and a afternoon course starting at 2 pm. There is only one time for sportster and Dyna seminars. starting with sportster at 10 am on 2-1-14 and dyna at 2pm 2-1-14. In these seminars we will go thru all that is needed and performed on a vehicle for a mileage service interval. Some mileage services can be rather time consuming and technical, so we will concentrate on a simple service like a thousand or five thousand mile service. please give us a call to reserve your place in the seminar, we are taking a list of potential attendees, although feel free to invite a friend to come with you. To hold these seminars it costs Uke's around 1500.00 for one Saturday of seminars! **THERE IS NO COST TO YOU TO ATTEND, THEY ARE TOTALLY FREE FOR EVERYONE.** i will even have coffee and cookies for you. I hope you will be able to find some time to come see your favorite service center, learn a few things and hang out. **REMINDER, Don't forget your bike you may have in storage, here or at home that may need that extra piece of chrome, new tires, or some tunes.** There is still a fair amount of time to have those last thoughts taken care of before we ride together this spring .Thanks for your time! waiting for spring to come!

Billy Lobacz
Uke's Service Manager.

Hey Ladies:

MARCH: CHILI COOK OFF All hands on deck to help set up, serve, clean up. Chapter Event
LOH Event - anyone interested in a Jazzercise class??

APRIL: I would like to **suggest** a 'cookie and snack tray creation meeting' for the National Telecommunication Appreciation Week (April 13-19). Local police and sheriff's dispatchers play an enormously important part of public and law enforcement safety, and much of this role goes unappreciated. I would like to suggest we gather with pre-made (homemade/store bought) snacks and goodies to prepare plates or trays for local police/sheriff's dispatch departments. We will need 3 per department (one tray for each shift). I would also suggest we prepare these for the Kenosha City PD Dispatchers and the Sheriff's Dept. Dispatchers. If there is enough interest and participation, we could certainly add more departments to our recipient list.

May - Bike Blessing

Are we ready to ride yet?? Wooooo Hooooo!! LOH Ride and or event TBA.

Other random thoughts:

JUNE: LETS RIDE!!!!

JULY: Galena overnight?? Ladies only?

AUGUST: Algoma overnight ride - everyone welcome

SEPTEMBER: Oh the lovely riding weather of September!! Tomahawk!! 'Ridin' to a Cure' get donations & baskets put together for this fundraiser!

OCTOBER: October-fest anyone??

NOVEMBER: Shopping at Ginger Blossom again - another new tradition?

DECEMBER: Cookie exchange

Do you have a special passion or talent that you would like to share with us? Please forward your thoughts to me. Also, do you know of any other women interested in being added to this list?? I added everyone that was at the November event, along with a couple more that told me they were interested. Feel free to pass this on to all interested LOH.

It will be warm before we know it and we'll be bitching about it being too hot to ride, haha.
XOXOXOXOX
