**Hello Members!**

**Is it still Summer? Wow, what crazy seasons we're having. I can't remember so much cool air in July and August. Of course, this is better than riding into a 100F degree headwind, isn't it?**

**Based solely on my own observations, the weather does NOT seem to have put a crimp in anyone's style. There are plenty of motorcycles on the road, as we all try to get in our saddle time before the snow flies again. And plenty of rides already scheduled on our calendar. I count 19 scheduled rides, among which are the Tomahawk Ride and Keith's Steel-Toe Tour of the Harley-Davidson Vehicle and Powertrain Operations in Kansas City. Also included are week night Stamp Book Dinner Rides, Friday Fish Fry Rides, and some all-time favorites like Fall Colors, Holy Hill, and the Fish Boil.**

**Also, Uke's Open House is Friday September 5th through Sunday September 7th. Anyone that has time to assist, please make a point of coming out to help.**

**There are also several weekends ahead without chapter rides posted. This tells me that we have several opportunities for more ideas! If you have a great ride idea, and you'd like to see if it can happen this season, call to your favorite Road Captain, or me. If it's not feasible this season, maybe we can work on your idea for next year. We already have a few, but some of my own ideas didn't make it into the agenda this year, and we always want new and exciting ideas, like Glenn Thomas' JP Cycle Open House and Bob Evans' Sturgis Ride.**

**In any case, don't give up just yet! I just counted between 10 and 12 weeks left of possible riding weather, before the seasons take over. Have fun, and be safe!**

## LOH News:

August 19th a small group of women went out for a scenic ride and had dinner at the Backyard Steak Pit. Thank you to all who came out --it was a wonderful night ride, just what I needed!!

September looks to be a very busy month. There are some great rides and I hope to see a lot of you LOH during the month.

Organizing and promoting some fun events has been fun for me (and Jeff---my darling assistant) but I regret that I must hand this torch to someone else. I will finish up the year, but hope that another fun-loving gal will pick up the torch and carry it for a while. See me, call me or email me if you are interested.  
Safe travels,

Sandy Rapey, LOH

Hi Everyone,

It is September and you know what that means – Fall Open House!! This year we are having it the weekend after Labor Day on the 5<sup>th</sup>, 6<sup>th</sup> & 7<sup>th</sup>. We will have the 2015's on display and also be running demos on a few of the models! We will also be having an end-of-season clothing sale & obsolete parts sale for anyone looking for a few good bargains! On Saturday the 6<sup>th</sup> will also be the Rescue Ride which registration begins @ 8:30am. They are a great organization (The Brew City Bully Club) that rescues, brings awareness and fosters dogs in need. There will be classic cars on display, a BMX bike show, a dog obedience show, vendors and more! It is going to be a very busy day here and we are supporting a great cause! You can check out their website [www.brewcitybullies.org](http://www.brewcitybullies.org).

For anyone who hasn't signed up, there are a few more spots left on Keith's Ride to the Kansas City Plant Sept. 13<sup>th</sup> -15<sup>th</sup>.

If you can make it - email [Brenda@ukeshd.com](mailto:Brenda@ukeshd.com) now!

Thursday, Sept. 18<sup>th</sup>, Keith will take a ride up to the Harley Museum for Bike Night. Be here are 6pm!
