Hi Everyone,

Harley Party starts here Labor Day weekend Sept. 3rd & 4th! Come check out the 2017's and the new Milwaukee-Eight engine. Smage Brothers will be performing - can't wait to see their show! Danny's Gourmet Pink Taco Truck was on the Food Network and it will be here! Beer tent, music, vendors – we will have a blast!

Well Keith was keeping a huge secret from us this summer! He had the honor to test ride the Milwaukee-Eight before its reveal! He was chosen out of hundreds of dealers worldwide to provide feedback and thoughts on the new engine. He was not allowed to utter a word about it (not even to us!) until it was introduced. Here are the clips that were played at the Annual Harley-Davidson Dealer Meeting in Boston.

Thursday Sept. 1st Keith and the boys are riding up to the Harley-Davidson Museum for Bike Night to show off the new 2017 CVO Limited. Definitely a fun night to join them if you haven't had a chance this summer!

Sept 10th Keith's Smoky Mountain Ride will be leaving at 6am sharp! Can't wait for all the details when they get back!

Sept 10th Kenosha Copperheads MC will be leading a benefit ride for the fallen Salem officer Michael J Ventura. You can pre-register with a link through our site <http://www.ukeshd.com/check-out-our-events--xcalendar> or register here day off ride.

Sept 24th we will be having a 2017 New Model Open House - let's grill out and chat about all the changes with the new Milwaukee-Eight!

Ride Safe,
The Uke's Team

Joni's Diner Ride

Greetings from your Head Road Captain,

Hope everyone is out enjoying the fine riding weather. As I write this I article, I have finished my annual ride to Frank's Diner. Great turnout and who should we run into at the HOG Room but Theron and Diane Snell, former members who moved to New Mexico. They joined us for breakfast. Below is a list of upcoming rides.

Upcoming opportunities to ride.

Bug Run Sept. 10th to 11th (See below)

My Favorite Place Ride with Gym Sept. 10th leaving the HOG Room around 11:00ish.

CornFest Ride with Stuart Sept. 11th leaving after the chapter meeting

Tomahawk Ride with Paul leaving on Sept. 16th (Details to come)

Breast Cancer Ride to Oconomowoc with Todd on Sept. 24th (Details to come)

Pork Chop Ride: The Sequel with Bob C. on Oct. 1st.

Details for the BUG RUN!

The bug run will start on Sept. 10th. We will be cleaning headlights and marking them with a sticker between 9 and 11 on the 10th. You will then have until 10:30 on 11th to go on your own rides in an attempt to collect bugs on your bike. We will then "READ" your headlights between 9 and 10:30 on the 11th to find our winners. We will give prizes for the largest bug, the most bugs, the closest to the center and if anyone has a bug that is still living.

As the season comes into the fall I am starting to plan for next year. If you have enjoyed going on chapter rides and might be interested in helping out with rides, routes and sharing your enjoyment, consider joining the road captain crew.

Finally, keep hitting the stampbook stops and joining the rides as we close in on the end of the first Rider's Cup. And as always send me pictures from your rides and suggestions for rides/destinations.

Keep the shiny side up!

Hello members!

I hope everything is going well in Wisconsin! The trip to California was pleasantly uneventful. We passed through 10 states on the way, and I rode a good bit of it. The last day was beautiful mountain scenery, but I was too exhausted and hot to ride it. Fortunately that's only a day's ride from here!

Thank you again for the wonderful send off. I wasn't expecting it. I'm so fortunate to have so many wonderful friends there. Looking forward to seeing you before the end of the year.

Randy
