**Next Meeting will be at the HOG Room on
October 14th at 10:00 AM**

To the women of Lady of Harley. I still have not gotten any emails from you girls on what you want to do as a group. I threw out ideas at the last meeting making a stress jar from Pinterest, going ginger blossom in Richmond IL and going out to lunch afterwards. In January we are having classes how to make a Harley quilt. Please email any ideas to me. My email address is dnorwich@wi.rr.com.

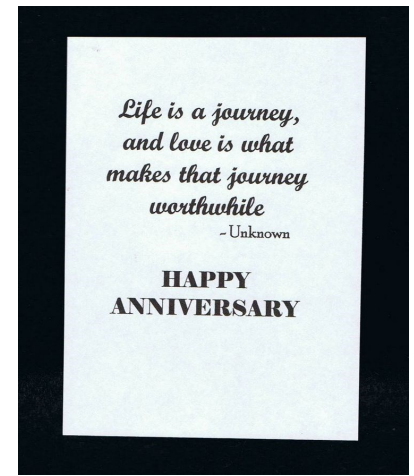

Thank you

Cindy, LOH

Hi All,

I sincerely hope your riding season has been great! Take advantage of the beautiful fall riding days ahead. Hope to see many of you at one of the many rides the Road Captains have planned or the Fall Color ride after the October 14th Meeting, it will be a beautiful ride!

There have been a number of members who state that they have not been receiving email notifications. (ie newsletter or announcements.) Please check your spam folder and verify your email with Gary in Membership. We do not want any member not hearing about all that we have going on.

At the October 14th meeting we will be taking nominations for the following positions

Director
Secretary

Consider joining the Board of Directors.

Please note that the **2019 dues will be increased to \$25 for full members and \$20 for associate members.** This represents the first increase in many years. Thank you for your support and understanding of the need for this increase.

Thank you to the members who generously donated their time this summer supporting the chapter in its activities that needed volunteering. You did so with no *personal* expectations. It is a membership like that, that will help this chapter grow. As we move forward we will all need to provide some assistance from time to time, if you were not able to help this year would you please consider helping in 2019? With everyone's help there is nothing we cannot achieve. Changes in the State of Wisconsin Gaming and HOG now prevent us from doing things the way we did in the past so new and creative ways to do things are our only path at this time. Got an idea and a way to implement it? Please share!!!!

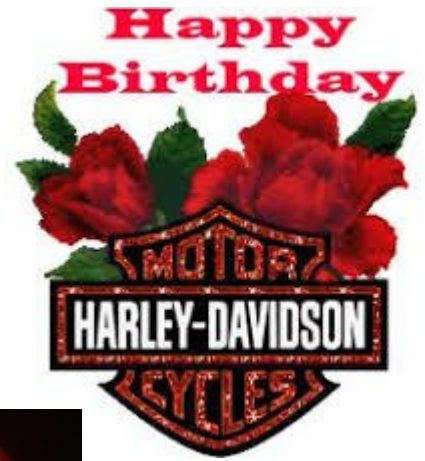

See you at the October 14th meeting!

Kevin Klee
Director

Once again I would be remiss if I did not extend *thanks* to those members who contributed to the summer Drawing and those who gave of their time to support the chapter with selling tickets. Your support is very much appreciated.

Question? Who would like to go to Las Vegas? If enough Chapter members would like to go for a long weekend we would be able to get a charter Rate. Looking at leaving on a Thursday evening after dinner and home Sunday early evening? Date to be determined if enough interest is generated. Let me know!!

Greetings from Gym,

I hope everyone has been out there putting miles on your bikes. Iron Butt reading will be taken at the October meeting, with mileage readers there at 9:00 to start. Also if you signed up for the Ride 365 program and don't think you will be doing anymore riding, we can take that mileage reading. If you will be unable to bring your bike or make the meeting, feel free to email/text me a photo or your speedometer by the end of the day on Sunday.

Thank you to all who participated in the Scavenger Hunt, it looked that everyone who took pictures, enjoyed themselves. Voting is open through our Facebook page for the most creative/unique. Open our chapter Facebook page, click on photos (on the left), then click on Scavenger Hunt photo album and choose your favorite by commenting with your name on that photo. Please have that done by midnight on Saturday the 13th. We will be awarding the top three prizes for most points and then most creative/unique at the chapter meeting.

Speaking of the chapter meeting, I will be leading our Fall Colors Ride after the meeting with a final destination of the Appeltroew Winery. The ride is around 2 ½ hours and 100 miles or so. There is one stop for a leg stretch and gas. Hope to see many bikes out there. These miles could count toward Iron Butt or Ride 365. There will be a variety of apples and beverages to purchase while there. We will also be having food for consumption, no cost.

As the road captains and I start planning for next year, we are in need of YOUR IDEAS of places to go and see. If you have any thoughts, please share them with myself or any other road captain.

Keep the rubber side down.

Kenosha HOG Chapter

Hi Gear,

I want to thank you and the Kenosha HOG Chapter for this incredible donation. As I told you, these toys will be that start-up for toys given to the kids at Wilson School. Some of our staff have taken it upon themselves to raise funds and/or toys to give to each and every child at the school.

Our staff that have seen this already could not believe we have so many gifts without even asking yet!

You guys are awesome and please say THANK YOU again to all who participated!

Hugs and safe rides to all involved!

Happy Holidays...
