Hi Everyone,

BRRRRR – it is getting chilly!! Jaci said she will give Kenosha HOG Chapter members 20% off heated gear for the month of November to extend your riding season! Whatever it takes to ride longer! If you do want to put your baby away for the season we still have room in our winter storage program (which is FREE with \$750 parts and/or labor). Black Friday we will be opening at 9am for pancakes and Bloody Mary's! YUM! Hope to see everyone here and have a great Thanksgiving!

Ride Safe,  
The Uke's Team

Hello all,

Please remember that stamp books are due to be turned in on the November chapter meeting. Also lets keep in mind businesses for the 2018 Stamp book.

If any one has any ideas or helpful input on stamp book rides next year lets get together and discuss! When if we try for overnight or weekend rides to show how grateful we are for businesses to support our chapter and contribute to the charities we support.

See you in November!  
Beth Cleveland

Greetings from your Head Road Captain,

I have taken advantage of some riding and have already started on next year's Iron Butt and hope that some of you have too. Speaking of the Iron Butt Mileage, I believe this year was the closest competition ever. Can't wait to make the announcement at the Christmas Party.

The road captains will be meeting one more time this year in an effort to start on next riding season. WE welcome ideas for any rides or locations that you might want to visit.

I will be looking for volunteers to make a committee to help organize the Poker Run after the June meeting.

During the off season, we might try to put together some "cage" rides to stay in contact with everyone.

For those still riding, keep the rubber side down. See everyone at the Christmas party.
