

**KENOSHA HOG CANCELS IN PERSON ACTIVITIES**

Kenosha HOG members as you know we are facing some unprecedented times with this COVID-19 pandemic. At this time *all in person meetings and activities have been cancelled*. This decision was made after consultation with the dealership and advice from the Motor Company. We will continually watch for new information and keep you posted through the HOG Happenings mini news brief.

**IMPORTANT!!**

For the members who have paid your dues, *your membership is covered through 2021 as long as you maintain your National membership and fill out a new membership form in January 2021.*

The **stamp book** advertisers who paid for the 2020 stamp book will continually be promoted this year and will receive their add in the 2021 stamp book. Watch for the Vendors of the week to garner your virtual stamps, send picture to 262-705-3715.

Although we will not be having in person meetings, the board is working diligently to provide monthly activities for members to do solo or with a small group. We will be having a **Virtual Karaoke Night, ABC's of Street Signs**, and others as the Summer goes on. Got an idea for a fun event that can be safely done given the current mitigation suggestions, please let us know.

Our goal this summer to is keep everyone safe by following the latest scientific advice, however, it cannot stop what we do best...

**JUNE 2020****KENOSHA HOG  
gets noticed!**

**May 31, 2020 Elkhorn, WI**  
Kenosha HOG members have been patronizing LD's BBQ in appreciation of the businesses ad placement in the Kenosha HOG Stamp book. During a recent visit, the Hawver Family spoke with Pit Master Leon who stated " I get more business from Kenosha HOG than other groups that I advertise with." That was a great thing to hear! The Kenosha HOG Stamp book fundraiser is made possible by vendors like LD's BBQ. When visiting a stamp book stop be sure to identify your self as a Kenosha HOG member like Carlos Gonzalez did as seen here with LD!

**Starting JUNE 1 the ABC's of Street Signs** activity will challenge member's to find street signs that begin with each letter of the alphabet. Find the location take the picture of **you and the sign!** Each member who finishes the challenge will be eligible for a fabulous prize. OK so the prize may not be a new bike or gas for a year but it will be a prize nonetheless. As an incentive for a better prize find the most unique street names for better consideration!! Once you have all 26 pictures call Gean at 262-705-3715 for instructions. **Have fun & ride safe!**
