

Happenings

February 2021

Director's Dealings:

Well Winter continues to have a grip on us! Hopefully it will pass quickly so we can get out and ride.

COVID unfortunately also has its grip firmly upon us. In following the set forth mitigation strategies we will not be able to meet in person for an unknown time to come. The board has met and we are trying to develop a platform that will allow us to meet virtually as a group. When that is finalized we will send a message to the chapter with instructions to join in. I am sure they will be step-by-step directions for all of us who are not computer savvy.

In the meantime, Please fill out the Membership form that is attached to this HOG Happenings and return it to UKE's. Leave the payment section blank just fill out the form please. IF you paid in 2020 that payment will be applied to the next full year membership fee going forward. It is important to fill out that membership form and return it! While these are unfamiliar times we still need to maintain membership rosters for HOG!

Just a side note: If and when you are eligible consider getting the COVID vaccination and if choose not to please continue to wear a mask, stay 6ft from others, avoid crowds and wash your hands frequently.

If we ALL do our part we will get through this. Stay safe and warm!

Kevin Klee, Director
