## **NEXT CHAPTER MEETING:**

APRIL 30TH 9:30AM -BEFORE BLESSING ON LOADING DOCK OF HOG BUILDING

## Director

From Gym's motorcycle seat,

We have now had our first "Official" ride for the season and we had a great turnout. The Dust-Off the Taxes Ride had nineteen riders on twelve beautiful Harleys. The weather was beautiful except for a little wind. Thank you for all those who came and rode with me, even if it did cost me a "little" in taxes. The Upper Crust was very accommodating and friendly.

Next up is the Bike Blessing on 04/30 and for \$10 you get breakfast, blessed, a ride and lunch. Then the Remembrance Overnight Ride to Baraboo, May 14th-15th. We will be staying at the Ho-Chunk Casino and at last check there were a few rooms still left. Any available rooms still available will be released on the 29th. Be on the lookout for details about the ride itself.

For anyone who may not have been at the last meeting, the result of the voting for the day that chapter meetings will be held was a simple majority for Saturdays. We will continue with Saturdays except maybe the occasional special event.

Don't forget about all the incentives related to RIDE 365 and let's see how many riders can get to 10,000 miles this year.

Please continue to share ideas for local charities we would like to donate to, ride destinations and encouraging new members to join.

Keep the shiny side up and the rubber to the road.

## Safety

Bike Blessing is at 10:00 am, this will be a don't want to miss event! Nothing better than having the "the MAN upstairs watching over you this season!!!

Kickstands will be up at 10:30 and a scenic ride on the roads we all love, led by our own Keith Ulicki! Returning to the dealer for lunch and a raffle.

As you can see there is a lot going on and we need your help to make the day a success!

Thanks in advance, looking forward to seeing all. Please reply if we can count on your help.

Bob Clampit

## Membership

The Kenosha HOG chapter membership runs yearly from 1-1 thru 12-31. Membership fees are not pro rated and they still come due for renewal on 12/31. The sponsoring dealership has the right to terminate a Chapter membership should his/her conduct does meet the dealership's standards or vision.

# Upcoming Events

Join us for Frank (Uke) Ulicki's Memorial Ride & Bike Blessing. Frank Ulicki, Uke, opened Uke's Harley-Davidson on April 1st, 1930 during the heart of the depression at the age of 22. He paid the previous owners \$250 and sold a \$.04 nut on his first day in business. He rode everywhere his entire life, having never even owned a car. Uke's life was Harley-Davidson and family so let's honor him the way that he would want to be remembered - with a ride!

Join us for a remembrance ride. Which will be overnight from May 14-15th to Baraboo, WI. With a stay at Ho Chunk Casino & Hotel

More details to come

American BBQ Food Truck, Live music Dave & Taro, and MORE!!

# Uke's Team

Hi Everyone,

Can't wait to see everyone Saturday! Then the weekend of May 14th & 15th will be the annual LEGO Brick Show. It is always so fun to see all the creative designs and some of these displays cost more than our Harley's!! Yikes. June 4th will be Uke's Open House. We will have the Dav & Taro Band along with American Made BBQ - let's just have a party and shoot the shit! To help get everyone going on the RIDE365 program we are going through the HOG national page to find out what is recorded for your mileage and VIN number. Expect an email from [brenda@ukeshd.com](mailto:brenda@ukeshd.com) within the next few days with that information. If anything is incorrect, please respond to the email so we can get everyone in the chapter up to date.

Let's Ride,

The Uke's Team

*Don't miss out!*

# Head Road Captain

Hello fellow Road Captain's. This is your weekly reminder that we are looking for your minimum of 2 rides you will be leading. Please include as much detailed information as you can in your summary sheet. We would like you to submit more rides if possible. Thank you to those who have submitted some already.

I know you have noticed that Brenda is sending out completed ride summary sheets for rides that are scheduled. These ride summary sheets will be sent out to the general membership only one time. print them, save them, to a folder whatever you would like. As more rides become available for posting they will be pushed out on the HOG'S Breath email, by Friday of the week you submitted them. Please get them in as soon as you can, even if your ride is in September.

Also we would like for you to submit a short write-up describing your ride that Brian can easily copy and paste to the hog website calendar. This would be much appreciated. One of the HRCBC will put your ride on an events page on the HOG 5559 face-book page.

Don't forget to volunteer your time and help for the bike blessing events this weekend. Hope to see you on the 28th for my scheduled ride.
